

Support_and_Hotline

Support and Hotline

From Monday to Friday between 09:00 and 17:00 COSA provides telephone support for customers and implementation partners. Our hotline staff supports you in implementing solutions and, of course, in running COSA. Furthermore, you can access our online help desk application COSA Online. Via this tool, you can report potential problems and change requests and retrieve information on the status of your request. Business Process Management (BPM) and Workflow Solutions by COSA - The BPM Experts
